

# MARBLING

## What you'll Need:

- Vegetable oil
- Food colouring
- White Card
- Droppers {optional}
- Large tub or deep tray

## Marbling Method:

1. Pour a small amount of vegetable oil into a dish and add food colouring.
2. Stir vigorously with a fork so the big drops of colour are dispersed throughout the oil as smaller droplets. Repeat with as many colors as you want to use.
3. Pour about an inch of water in a large tub or deep tray. Use a dropper or spoon to transfer the colour mixture to the dish of water. Use one color or many.
4. Lay your paper on top of the water... watch the magic happen!
