# ICE-CUBE PAINT

## WHAT YOU'LL NEED:

- Water
- Ice-cube tray
- Sticks
- Food Coloring
- Sheet of paper

## WHAT TO DO:

1. Fill up an ice-cube tray with appropriate amounts of water. Then, gently add 2-3 drops of food colouring to each section.
2. Place some sticks in each cube and freeze for at least 4hrs until solid.
3. Take the ice-cubes out and begin painting!
