

# SENSORY ACTIVITY

## YOU NEED:

- ZIPLOCK CLEAR BAG
- DUCT TAPE
- STICKY TAPE
- CLEAR HAIR GEL
- SCISSORS
- UNDER THE SEA CUT OUTS
- UNDER THE SEA BACKGROUND/PLAY MAT
- DECORATIVE OBJECTS
- LAMINATOR

## METHOD

- CUT OUT THE AND LAMINATE THE UNDER THE SEA CUT OUTS. YOU MAY ALSO CHOOSE TO LAMINATE THE UNDER THE SEA PLAY MAT.
- SQUEEZE SOME HAIR GEL INTO THE BAG, LEAVING ENOUGH ROOM SO THAT YOU WILL LATER BE ABLE TO SQUISH THE OBJECTS AROUND, WHEN ADDED.
- ADD THE LAMINATED CUT OUTS AND OBJECTS TO THE BAG.
- ONCE ALL THE MATERIALS ARE IN THE BAG, REMOVE AS MUCH AIR FROM THE BAG AS POSSIBLE. CLOSE THE BAG, THEN TAPE THE TOP SHUT SO THE GEL DOES NOT SEEP OUT.
- TAPE THE EDGES OF THE BAG ON TO THE UNDER THE SEA PLAY MAT.
- LET YOUR CHILDREN HAVE FUN EXPLORING THE SENSORY BAG. CAN THEY MOVE THE CUT OUTS AND OBJECTS AROUND?
